

TDC Awards for USDF/USEF Shows

Rules

All recognized shows are governed by the rules of USDF and US Equestrian Federation.

TDC Awards

If you are competing for USDF and US Equestrian Federation awards, check their websites for participation requirements.

General Information

It is the rider's responsibility to check the accuracy of scores and horse and rider names recorded by the TDC Awards Committee. Discrepancies must be reported to the TDC Awards Committee by the fifteenth of the month following the show report. Scores may be verified in the TDC newsletter, Transitions, or on the TDC website.

Eligible Shows

All US Equestrian Federation/USDF recognized shows that are also TDC-approved shows will count towards year-end Recognized Show Awards.

Eligible shows include, but are not limited to:

- TDC Shows
- ADA Shows
- Open Shows in conjunction with State or Regional Championships

Ineligible shows include, but are not limited to:

- Breed-restricted Shows
- State or Regional Championships

Eligible Horses

Owners of all horses must be current TDC members in good standing at the time of the show for scores to be eligible. A member in good standing is defined as one whose paid membership has been recorded by the TDC Membership Chairperson.

Horses may be of any age, sex, or breed unless otherwise specified in an individual award description.

Owners

Please pay extra attention to how your information is filled out on each entry blank and to how that information is recorded by the show secretary. The horse's name must be entered the same way on each entry blank for the score(s) to count. The horse's name must be recorded the same way for each ride. If there is a name or status change during the show season, please notify the Awards Chairperson immediately.

Example: An Arabian who earns a Legion of Honor symbol during the year would change its name from Star to Star+.

Eligible Riders

All riders must be current TDC members in good standing at the time of the show for scores to be eligible. A member in good standing is defined as one whose paid membership has been recorded by the TDC Membership Chairperson. Riders may be of any age or sex, unless otherwise specified in an individual award description.

It is the rider's responsibility to notify the Awards Chairperson of any changes that affect year-end award status. Such changes include, but are not limited to, a change in status (i.e. Open to Amateur); or horse name change. Failure to notify the Awards Committee Chairperson of any changes may result in the loss of the award.

Volunteer Requirement

Effective October 1, 2004, to be eligible for year-end recognized show awards, TDC members must contribute four (4) hours of service to the Club.

If you are unable to volunteer, you may purchase service time at the rate of \$25 for two hours of volunteer time.

Scores

All scores for year-end awards are tabulated using percentage scores earned by each horse/rider combination throughout the show year at each level and in each division.

Scores from Maiden Horse, Maiden Rider, Quadrille, Pas de Deux, Prix Caprilli, equitation, suitability, bareback, or other specialty classes do not count toward recognized or schooling show awards. Freestyle scores may only be used for the Musical Freestyle Award in the Recognized Shows category.

The top six scores earned in at least three USEF/USDF/TDC-recognized shows will be used to tabulate the awards in the Recognized Show division for the USA Equestrian Training through Fourth Levels.

The top three scores earned in at least three US Equestrian Federation/USDF/TDC-recognized shows will be used to tabulate the awards in the Recognized Show Division for the FEI levels.

Scores from out of state USEF/USDF recognized competitions will count towards year end awards if the rider or owner submits either a USDF Score Report from that show or copies of the score sheets to the Year End Awards Chairperson prior to December 15th of the competition year.

Presentation

All awards will be presented at the TDC Year-end Awards Banquet. For further details on award requirements, please refer to the Awards descriptions below or contact the TDC Awards Chairperson.
