

Marilyn Quinto Scholarship Awards

In honor of Marilyn Quinto, the Tucson Dressage Club has established the Marilyn Quinto Memorial Scholarship Fund to promote education and dressage principles among our membership. It is not awarded based on performance.

Occasionally in our lives we meet someone who really makes an impression on us and Marilyn Quinto was one of those people. A woman ahead of her time, Marilyn was fired in 1945 from her position as editor of the College of William and Mary student newspaper for advocating racial equality. She piloted a seaplane along the east coast, went on a horseback trek across China and was co-recipient of radio and television's highest honor, the Peabody Award.

Marilyn moved to Tucson in 1962 and learned to ride. She joined the Southern Arizona Hunter/Jumper Assoc. and served on the Boards of the Old Saddle Club and Cottonwood Pony Club. She was a reporter for the Chronicle of the Horse and reported on all of the horse in the Southwest region. Dressage evolved in the '70's and Marilyn was there helping the Tucson Dressage Club grow by serving in various capacities. Marilyn was known for her astute quips and often said she was 'still learning horsemanship'.
