

Noel Hansen Memorial Sportsmanship Award

This award has been established in memory of Noel Hansen and in honor of her sportsmanlike conduct. This award is presented each year at the Annual Awards Banquet. TDC remembers Noel for her excellent sportsmanship. She was always quick with friendly smiles and encouragement for other competitors. Humble with her own accomplishments, she made others feel important. Noel was a retired executive. She volunteered for TDC in the capacities of awards chairperson, barn manager at TDC shows and volunteer coordinator. As barn manager at An Oasis, she spent many evenings with sick horses and held hands with the owners. Noel's legacy to us was her love of horses and people. She was everyone's best friend. At the Flagstaff show, Noel received a 10 from the judge. She was a rare "10" to those of us who knew and loved her.
